WORK EXPERIENCE:

May 2023 - May 2024

I created fan-based animations based on dialogue and character designs from Rob Orpilla's Ink Tank YouTube Channel. Links to my work there are below:

May 2024 - July 2024

I worked on several stop motion animated vocal pieces for two rap battles by artists:

Freshy Kanal- <https://youtu.be/I7ea6vB7qWw?si=3r068JhF9jy59qZ>

Fightmarker- <https://www.youtube.com/watch?v=Q0jDoL71J8s>

I also voice acted in Fightmarker's project as well as Lego Deadpool.

January 2025 - December 2025

Rob Orpilla's 500,000 subscriber series "5 Years Later"; episode 13, where I animated and filmed several segments for an animated fight scene alongside other animators.

June 2025-

Though uncredited, I did consult on David Smith's "Duel Zone" animated fighting series, where I aided in research and development for one of the characters used in his first episode. I am very well versed in the lore and episodes of the Cartoon Network show Ben 10 which ran through multiple series from 2005 to 2016 officially. Links to my videos on the subject below:
